

## *Have Patience...*

*Have patience with everything unresolved in your heart  
and try to love the questions themselves,  
as if they were locked rooms,  
or books written in a very foreign language.  
Don't search for the answers,  
which could not be given to you now,  
because you would not be able to live them.  
And the point is to live everything.  
Live the questions now.  
Perhaps then someday far in the future,  
you will gradually,  
without even noticing it,  
live your way to the answer.*

*~ Rainer Maria Rilke*
